# Story City Historical Society Yearly Membership

## The Museums of Story City

As a partner site with  
The Silos and Smokestacks  
National Heritage Area,  
The Story City  
Historical Society  
consists of  
four museums that share  
the unique and rich history of  
a proud community.

## Yearly Membership Scale

Membership in the Story City Historical Society is an enriching experience that provides opportunities for learning, fellowship, and preserving the community's rich heritage.

### **Student Membership: \$10.00**

Looking for the perfect gift for graduation or a birthday? A student membership encourages young people to be involved with the community's heritage. Each student membership purchased includes a gift card sized certificate.

### **Contributing Membership: \$25.00**

Contributing members donate their time in volunteering as docents at historical society heritage sites, museum collections, food preparation for events, or general upkeep. This gracious gift of time helps support our historical society mission and offsets financial membership dues as a result.

### **Sustaining Membership: \$50.00**

Does your busy life prevent you from lending a hand with volunteer efforts but you still want to be involved with the historical society? The Sustaining Membership allows you to submit a little extra to help provide materials for museum upkeep and proper storage of museum artifacts.

### **History Enthusiast: \$100.00**

Are you passionate about preserving and sharing the history of Story City? History Enthusiast Membership allows you to contribute financially to the development of educational programming and exhibits.

### **Legacy Patron: \$250.00**

## Help us Share the Story of Story City

I would be interested in participating in the Story City Historical Society through:

\_\_\_\_\_ Sharing a historical collection via a presentation or temporary exhibit.

\_\_\_\_\_ Presenting a topic of historical research that I have an interest in.

\_\_\_\_\_ I engage in historic crafts and I'm willing to demonstrate my work for museum guests.

\_\_\_\_\_ Serving as a museum tour docent.

\_\_\_\_\_ I would like to be involved with oral history projects for local school programming where I share my experiences of the Great Depression, changes in agriculture, life on the Home Front during WWII, historic Main Street businesses, or my military service.

\_\_\_\_\_ Offering my services to support special events, programs, food preparation, or maintenance activities.

\_\_\_\_\_ I am interested in being involved with the Story City Historical Society Foundation.

\_\_\_\_\_ I would be interested in providing a financial gift in addition to my membership.
